Each year the NSW Government High School Deputy Principals hold a State Conference. In 2011 the conference will be hosted by the Riverina Region Deputy Principals Association in Albury, on Wednesday 31st August, Thursday 1st and Friday 2nd September. This letter is to invite you to be a part of the conference as a corporate sponsor.

The conference brings together around 400 Deputy Principals from most of the NSW Public High Schools – one of the largest gatherings of educational leaders in Australia. Deputy Principals provide advice to and collaborate with Principals on school planning. They are responsible for much of the day-to-day decision-making regarding resources, technology and services purchased by the school. They also provide information, guidance and advice to teachers in their schools regarding such purchases.

Accordingly, this conference provides businesses, such as yours, with the opportunity to raise the awareness of and promote their product to key management decision makers within NSW Government High Schools.

The organising committee of the 2011 conference is pleased to be able to offer a range of sponsorship packages (designated in levels) that may suit your needs. Details of these packages are enclosed with this letter.

As Albury is a large centre in the Riverina, we believe that this conference will be a terrific opportunity to showcase the Riverina region to conference attendees and sponsors.

If you choose to be part of our conference please contact:
