ROBYN MOORE

“ONE OF THE VERY BEST SPEAKERS YOU WILL EVER HEAR”

Robyn Moore is a multi-skilled Communicator who has been in the business of creating and changing peoples' perception through “the power of the word” for almost 30 years. She's Australia's most versatile and effective female Voice-Over Artist, Presenter and Speaker.

Robyn Moore is a very effective communicator with a unique understanding of "The Power of the Word". She's is Australia's most in-demand female speaker. She sells people back to themselves so they experience increased access to life-altering communication, effective leadership, work/home balance, satisfaction, laughter, core values, vision and desired outcomes, attitudes and behaviour. Robyn allows people to recognise old habits and behaviours and take responsibility for choices, which create the outcomes they want in their professional and personal lives.

Her voice is known in most homes in Australia from commercials, syndicated comedy and animation series seen in 70 countries, however few people will know her name. She creates all female voices on Australia's longest running radio comedy series “How Green Was My Cactus” and her voice on radio and TV commercials has sold millions of dollars worth of products for thousands of Australian companies. She is also well known as the voice of Blinky Bill – “*Extraordinary!*”

Now, she's speaking nationally and internationally at conferences, special events and training workshops and creating remarkable results! When she speaks ... people listen ... and take the action necessary to create the outcomes they want in their lives!

Robyn delivers Keynote, Breakfast and Luncheon Presentations, Client “Thank-You” Presentations and Staff Workshops. Her corporate clients often book her to open or close their conferences! She is not a cliché “Motivational Speaker” (most people, if asked, would say they are already highly motivated) or a cliché “Personality Speaker” (big fees, little juice). Robyn's style is refreshingly authentic and Australian. She creates a relationship with her audience that allows her to unfold communication skills beyond those generally being used in business or in education today...skills which help “clear the way” for the *new thinking and communication* required to create solutions in the challenging world of business, and in our personal lives.

Through humour, powerful stories and life-altering distinctions, she opens the way for:

- ◆ Self-motivation and integrity
- ◆ Greater productivity/better results in less time
- ◆ Clarity in choosing what's really important in life
- ◆ Rediscovering passion
- ◆ Deriving greater satisfaction at work and at home by getting the “balance right”
- ◆ Dealing with difficult people and circumstances
- ◆ Communications the spice of life, including the difference between men and women
- ◆ Celebrating and honouring our accomplishments and magnificence
- ◆ “Life-altering” Communication (Being bigger than our complaints in order to fulfil our desires)

“Excellent. Robyn is by far the best speaker we have ever had at a Conference. What a dynamic presentation. Robyn had the staff as a captive audience, one minute they were holding back tears and the next laughing hysterically. Everyone has commented on how the "Power of the Word" has affected him or her in some way either on a personal level or at work. I guess when you read a brief on a speaker and testimonials from others you perhaps think to yourself, is she as good as they say she is. Well our comment is "she is as good as it gets" "EXTRAORDINARY"

Bio-Mediq DPC Pty Ltd

Institute of Municipal Management

“We wanted to set the scene for open and honest communications for our state-wide conference. Robyn took us from laughter to tears; the people that listened to her speak had their lives changed that day. I would suggest that she opens every conference and seminar Australia wide, as she ensures that future communication is honest, open and frank. Because of her we accomplished more in two days than we had been able to do in ten months.”

JobNet

“Excellent. Robyn captured the hearts and minds of the audience.

"Just a note to thank you for your contribution in making our National Conference such a huge success. Your closing presentation was superb in that it delivered the message in such a creative and entertaining manner that we had been attempting to relay all week. It really hit the mark with our franchisees. I am sure they all left with a clear message that will not only help their businesses but will have a huge impact on their personal lives."

Sportsco

"You drew on an amazing wide range of skills from the performing arts, including mime, mimicry, rhetoric and character acting, to engage and captivate your audience. Your incredible emotional range – from comedy to pathos, further enhanced this engagement. "The power of the word" was much more than a fascinating entertainment, it also carried a great and obviously heartfelt message that resonated with the theme of our conference and with the mood of the delegates at the dinner. All delegates, local, interstate, and overseas, were fulsome in their praise. Many, when asked to evaluate the contribution of the overseas speakers, wrote instead in praise of your work."

Australian Secondary Principals Association

"I write to thank you for the marvellous content and presentation of your material regarding Relationships at our conference. The delegate responses were overwhelmingly thankful for having the opportunity to hear you speak, and several spoke of marriages back on track and of difficult situations resolved."

What an excellent and inspiring speaker - I don't think I have heard better.
