

Conferences
Report from State Executive Meeting 5/9/03

Extra

The 2004 State Deputy Principals Conference is currently being organised

Venue: The Manly Pacific Hotel Manly
Date: TBA (but probably week 7 around end of August 2004)

Further details will be posted later.

Districts

South Coast

They have recently run a highly successful conference dealing with DP issues. Members would still like a state wide conference

Coffs Harbour /Clarence

Found it really useful to have the seeding grant for their district this year so they could pay for some really top speakers. It was a two day conference with Chris Presland talking about how to change the culture of your school.

Northern Beaches

This conference dealt with DP issues and was held at Terrigal.

Dubbo

An extremely successful conference and delegates travelled from far and wide. They normally hold a conference every term.

Met South West

Hold conferences on a regular basis for DP's and aspiring DP's

Bathurst

They meet 3 times per year. They find it is worthwhile meeting on a regular basis to deal with local and specific issues.

Hunter

They have recently held a conference based on the theme of 'Enough is enough' and student welfare. The day was excellent.

St George, Bondi, Port Jackson, Sutherland

Conference to occur 22nd September with Neville Johnson on learning communities and linking Action learning, protocols and productive pedagogy
